

Experience crystal-clear conference-calls

Dell Speakerphone | **SP3022**

 Certified for
Microsoft Teams

 Certified

Experience crystal-clear conference-calls

With the world's most intelligent* Microsoft Teams certified speakerphone.

Elegant design aesthetic

With a complementary style and finish, speaker sits easily on a monitor base, or beside a laptop or desktop.

LED lights

Clearly indicate MS-Teams app status, call/hang-up, volume up, volume down, and mic mute/unmute.

Full duplex audio

Allows multiple participants to speak simultaneously while still being heard, clearly.

No extra clutter

Neat cable management mechanism keeps your workspace clean.

Enhanced connectivity

Connect the speakerphone to monitors, laptops, or desktops via the USB-A or USB-C port.

Stereo output

Delivers lows and highs with no distortion, whether conferencing or listening to music.

Microsoft Teams button

Provides quick access to meetings and notifications.

AI noise cancellation

Reduces background noise while preserving the clarity of human voices.

Dell Peripheral Manager**

Customize device settings like audio presets, notifications, and product updates.

* Based on Dell analysis comparing against competitive personal conferencing speakerphones, October 2023.

** Dell Peripheral Manager is a device configuration software. It is only compatible with 64-bit Windows 10 and Windows 11 systems.
